## NEWS AND VIEWS . . .

### And What Have You

By BOB CRAIG

Unless they act quickly, over 3,000 Jones County citizens will lose their right to vote in 1970. This bit of information comes from State Representative Frank W. Calhoun. In a letter we received from him this past week he noted that he had been advised that only 4,200 of the potential 7,200 county voters have actually registered.

If you have not already done so, may we remind you that time is running short to register. The deadline is January 31.

And as Frank points out in his letter the penalty for not registering is the complete loss of a voice in representative government for the balance of this year.

He goes on to list just how many different offices and issues that are to be decided this year by those who qualify themselves to vote.

A voter registration certificate qualifies you to vote in all 1970 elections, including the following: Justice of Peace, County Commissioner (in precincts two and four), Sheriff, District Attorney, District Judge, City Council, School Board, Civil Appeals Court, Criminal Appeals Court, State Supreme Court, State Treasurer, State Comptroller, Attorney General, Land Commissioner, State Representative, State Senator, Lieutenant Governor, Governor, State Education Board, U.S. Representative, U.S. Senator, and Constitutional Amendments.

Added to this list is the possibility of any special elections.

As an added incentive, there will be a referendum item on the General Election Ballot on Daylight Savings Time and a constitutional amendment to permit the sale of mixed drinks in Texas.

Frank ended his letter with the following statement, "I submit that one of the best bargains today is a voter registration certificate and it's free if you act before January 31."

All too often we take our public utilities for granted, that is until we have an ice storm like we had a couple of weeks ago or some other major problem.

It is amazing how the employees of these firms get on the job so quickly and work all hours until they take care of their customers.

We would like to express the appreciation of all of the people in this area to the employees of West Texas Utilities, Southwestern Bell Telephone, Stamford Electric Co-operative, and Midwest Electric Co-operative, for the tremendous job they did restoring service to the area.

We would also like to express our appreciation to Bill Rountree's crews and the county employees for the job they did in getting rid of the broken tree limbs around town.

But, going off in the opposite direction we are wondering about one of the newest additions to the public utilities field—cable TV service. From the number of complaints we have heard we feel that this utility has a long way to go to before they can offer dependability that we have come to expect.

We have a hard time personally in justifying the expense of cable TV when the only two channels that we can really depend on are the two we can get just as well on our antenna that is already paid for.

Finally, after nearly a year, we expect to move this weekend. We hope you will bear with us for the next week or so while we try to get everything where it belongs.

We will be closed Thursday and Friday but hope to be open for business again Monday.

This week's paper has been a hard one to publish since we were so close to being ready to move, it was hard to stop and produce another paper.

HODNETT TOP WINNER IN LOCAL SHOW — Bill Hodnett, 17-year old senior FFA member, here with his champion barrow, took champion and reserve champion trophy and rosettes in both breeding beef and barrows in the Community Livestock Show held here at the Jaycee Building Saturday. Other pictures and complete results are included in this issue.

## Highway Department 'Easy-to-Follow' Instructions Must Not Be As Clear As They Thought They Were

AUSTIN — The Texas Highway Department is sporting a red face.

In recent news releases announcing the new computerized motor vehicle registration system, Department information specialists wrote: "Easy-to-follow instructions are printed on the three-part form."

That must be a mistake — because a lot of motorists

haven't been following instructions. And mistakes generate confusion.

This is the first year that the Department has gone to the new system, which includes an order-by-mail program for obtaining 1970 motor vehicle license plates.

But just to make sure that motorists do understand the "easy-to-follow instructions", they are:

1. Each motorist whose vehicle was registered last year has or will receive in the mail a long, narrow envelope with a printed message on the front reading: "Important — This is Your License Plate Renewal Application."

2. The envelope will contain a three-part form. DO NOT SEPARATE THE THREE PARTS.

3. You may renew your motor vehicle license registration during January and February by mailing the three-part form (intact) and your check to your county tax collector. Add \$1 for postage

and handling charges for each vehicle. License plates will be mailed February 1 and thereafter.

4. You may renew your motor vehicle license registration during February and March by taking the three-part form (intact) and your check to the tax collector's office or substation.

That's it! Now see if you are one of the seven million plus Texas motorists who can follow those "easy-to-follow instructions."

## Speakers Named For Annual Farm And Ranch Day

Farm and Ranch Day speakers include Brad Rowland, Jones County ASCS Office Manager, who will speak on the 1970 farm program; Kent Bennett, with the National Cotton Council, will speak on cotton promotion; R. L. Bland, Manager of the Cal-Tex Feed Lot in Trent, will speak on the outlook for cattle feeding in this area with emphasis on "Warming Up Cattle" in preparation for the feed lot; and Joseph Cason, Compliance Officer with the U. S. Labor Department, will speak on labor laws, especially as it applies to farmers.

Birger Haterius, Chairman of the Jones County Extension Program Committee, will be M. C. for the event.

The program will start at 4:00 p.m. on Monday, Jan. 26th, and will run through 8:00 p.m. A free dinner will be served at 6:00 p.m. in the Stamford High School Cafeteria.

## Kirby Clayton Soil Fertility Awards Program

Kirby Clayton, Jones County Agricultural Agent was a first winner in the 1969 Texas Soil Fertility Awards Program sponsored jointly by The Texas Educational Plant Food Society and The Texas A&M University Extension Service.

Clayton was presented a plaque and a certificate at a special Banquet held in The Ramada Inn at College Station January 17th.

The plaque and certificate was presented by Mr. Ross Irvin, President of The Texas Educational Society. Clayton spoke briefly to the group about the county fertility programs.

## Book Given

## Pipers-Bluecats to Meet At Coleman

The Pied Pipers got back on their winning track here Tuesday evening with a thrilling last minute victory over the Winters Blizzards, 60-58. The win came on the heels of losses to Merkel and Anson last week.

The Pipers are two games back of the league leading Merkel Badgers who remain undefeated in district play with a win over Ballinger Tuesday.

The Pipers will travel to Coleman Friday to complete the first round of district action with the B game starting at 5:00, followed by the girls game and then the boys. The teams have an open date

Tuesday. The Pipers overcame a big first quarter lead by the Blizzards and tied the game in the third period. Marshall Shelton won the game on a last second two-pointer as the buzzer sounded. Robert Bolden was high for the Pipers with 17 points.

Marcia Steele was high pointer in the girls game as the Pipers fell to Winters, 58-25.

Hamlin won the B game, 46-34.

Last Friday the Pipers fell to the Anson Tigers on the Tigers own court, 48-46, with George Cooper leading the Pipers scoring with 15 points.

Marcia Steele scored 30 points in a losing effort as the Pipers were defeated 49-39.

The Anson B team also won, 33-31.

## Film Program On Farming Set Here Jan. 21

Farming Frontiers '70, a film program devoted to the business of farming, will be held Wednesday, Jan. 21, at the Hamlin High School Cafeteria, it was announced today by Weldon Carlton, owner of Carlton Imp. Co., area John Deere dealer.

The program includes "Furrows on Film" subjects which show the latest developments and research in farming. Other films include new farm equipment available for 1970 highlighted by the introduction of The New Generation of John Deere Combines.

There will be a feature film, "A Way of Life," a movie which investigates rural life in America. Mr. Carlton said the program will present new ideas to help farmers improve the efficiency of their operation. He said a new 21-inch electric-start John Deere Power Mower will be given away at the program.

All area farm families are invited to attend this program.

## Annual School Census Now Underway Here

The annual census for Hamlin Public Schools is now underway, according to Supt. C. F. Cook. This is done in January each year and emphasis is placed on securing names and information on children who will be six years old before Sept. 1, 1970.

All children from age six to age 18 on Sept. 1, 1970, are to be numbered.

Mr. Cook asks that residents help the principals in making sure that all school age children are registered. Names are to be given to the principals. The state pays this district \$114.50 for each student, he added.

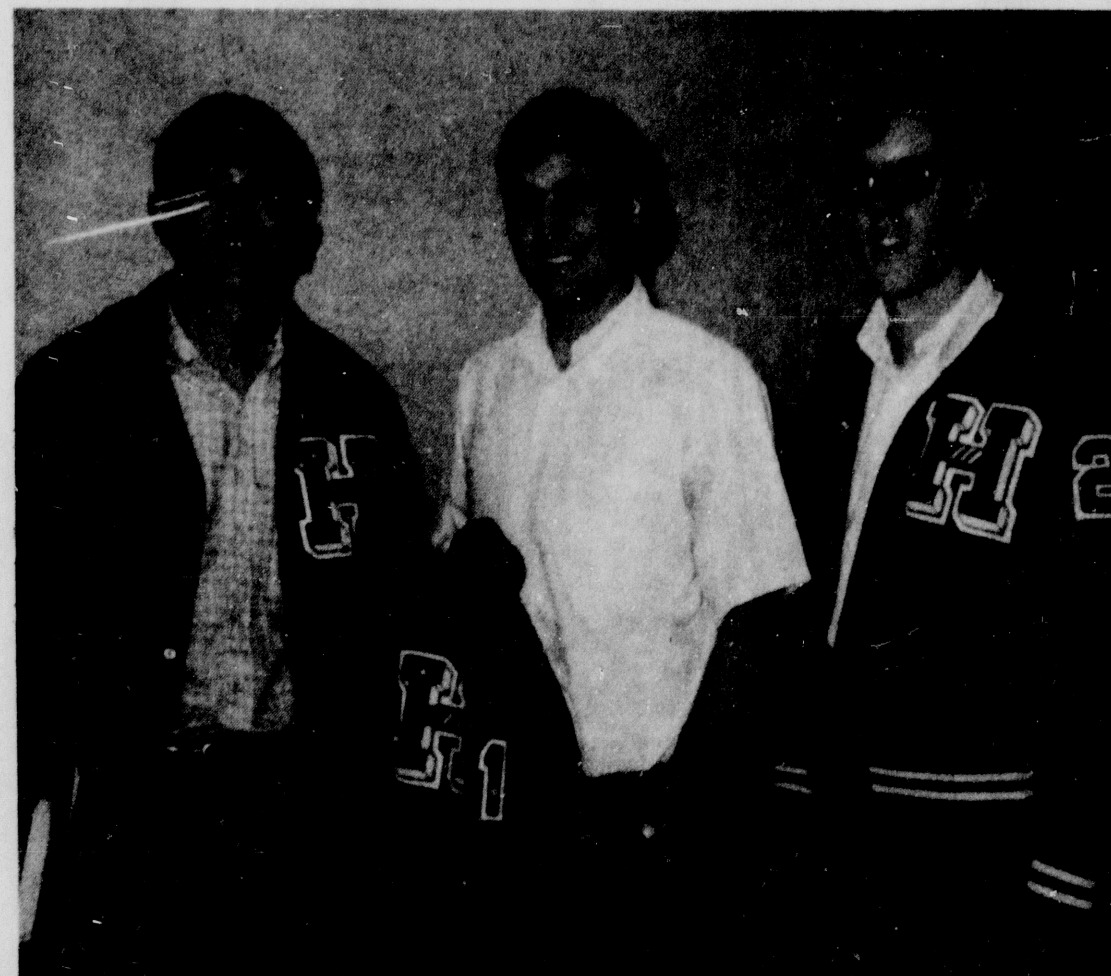

The names of the pre-school children are especially difficult to secure. Those who know of a child that will be attending school in the first grade this fall should contact Mrs. Fred Smith.

# Brewers Mark Anniversary In Abilene Hospital Saturday

Mr. and Mrs. R. E. Brewer celebrated their 47th anniversary in Abilene Saturday in West Texas Medical Center where Mr. Brewer was a patient. The special occasion was spent in the same manner as the Fourth of July, Thanksgiving, Christmas and New Year's were last year, with Mr. Brewer hospitalized.

His confinement since June 7 when he suffered a broken hip has not been continuous but somehow he has been either in Memorial Hospital or in the Abilene hospital hospitalized on the holidays.

At mid-morning Saturday the Brewer's daughter, Mrs. Bobby Crowley, and her daughter, Dianna, a student

at McMurtry, went to visit at the Medical Center, taking flowers for the special day. Head Nurse Wilkerson, R.N. learned of the occasion, she quickly made arrangements and by 12 noon, the same time the couple married, a table was laid in the hall and all the patients and nurses in the extended care unit joined in wishing the couple a happy anniversary. The hospital kitchen staff came up with a hurriedly prepared cake and also joined in with the party. Dianna played the piano and the group sang.

Mrs. Brewer said she had not even remembered that it was their anniversary.

The couple met in Hamlin in 1921 and were married in Anson Jan. 10, 1923. He was employed at Elbert Blacksmith Shop which was located at 44 N. E. Ave. B where the family home is now. He was a blacksmith for 24 years, worked 20 years in law enforcement and was employed 12 years at Celotex.

They have lived in Hamlin with the exception of one year in Borger and three months in Rule.

# Impala.

## It's got more re-sale value because it's got more to re-sell.

One of the nicest things about buying an Impala is selling it. That's because selling it traditionally brings back more of what people put into it in the first place. Money. Where does Impala keep getting its higher resale value? From features like those you see below. Features which explain why America's most popular car for the last nine years will undoubtedly make it ten in a row.

Impala. More to drive. More to re-sell.

FROM THE FILES . . .

FORTY-FIVE YEARS AGO  
(January 9, 1925)

On Friday night, January 16, a special musical program will be given in the high school auditorium for the purpose of obtaining song books for the school. The price of admission will be fifteen cents, the price of one song book. Anyone may donate as many books as he wishes. It is necessary for the school to resort to some means like this to secure song books, because the lack of funds prevents the school's being furnished with such necessities out of the school funds.

Music, the right sort of music is essential to the proper education of our children and young people, and certainly the community will be ready and glad to furnish them with inexpensive song books suitable for school use.

It has been several months since the Hamlin Chamber of Commerce met, but on Tuesday night of this week a general meeting and banquet was held at the Morgan Hotel. This meeting was to close out the old year and start the best year yet for Hamlin 1925. The number present was not as large as was expected, but those who accepted the FREE dinner were very enthusiastic and enjoyed the proceedings to the limit.

The officers elected were:  
President, H. E. Wall  
Vice-President, J. J. Waggoner  
Secretary, G. H. Tumlin  
Treasurer, Tate May.

DIRECTORS:—S. C. Ferguson, J. C. Turner, John Ed Day, J. L. Keen, J. W. Ezell, Clem Calhoun, W. E. Benson, Dr. J. F. Taylor.

The fire alarm sounded Tuesday night to call the Fire Department to the residence of Grandma Hickey, but it developed that it was the barn and not the house. The blaze was quickly extinguished and no loss except the barn. The Hickey home is one of the old land marks of Hamlin and very large, hence when the alarm went out that it was on fire there was an unusual rush to the scene.

The Parent-Teachers Association will meet next Tuesday after-

noon at three thirty o'clock, at the High School Building. All members are requested to be present.

TWENTY YEARS AGO  
(January 6, 1950)

It was a cold world that greeted little George Washington Kirkland Jr., early Monday morning.

The child, born at 1:00 a.m. on January 2, came into the world in the back seat of the family Ford, in the yard of their home two miles northeast of Hamlin.

He was born without benefit of doctor, nurse or midwife, and apparently withstood the ordeal with flying colors. Dr. E. J. Hawkins, who was called to the Kirkland home and arrived there about 2:30 a.m., said the health of the tiny mite is good, and the health of his mother is also excellent.

George Kirkland Sr., an employee of the Hamlin Oil Mill, and working at night, was called to his home shortly before midnight by an elder daughter. She told him his wife had sent for him and urged him to hurry.

Kirkland dropped his work and rushed to his car, only to find that the battery had run down. He had fellow workmen at the mill give him a push to get the motor started, and made all possible speed to his home.

Mrs. Kirkland was ready for her trip to the hospital, and with the help of her husband she climbed into the rear seat.

But the motor died, and a dead battery would not get the car started again.

Kirkland, working frantically with the motor, was distressed when his wife called to him from her seat in the car.

"It's too late, George," she said "the baby is already here!"

George got some warm blankets from the house and covered his wife and new-born son, then set out on foot for Hamlin to get a doctor.

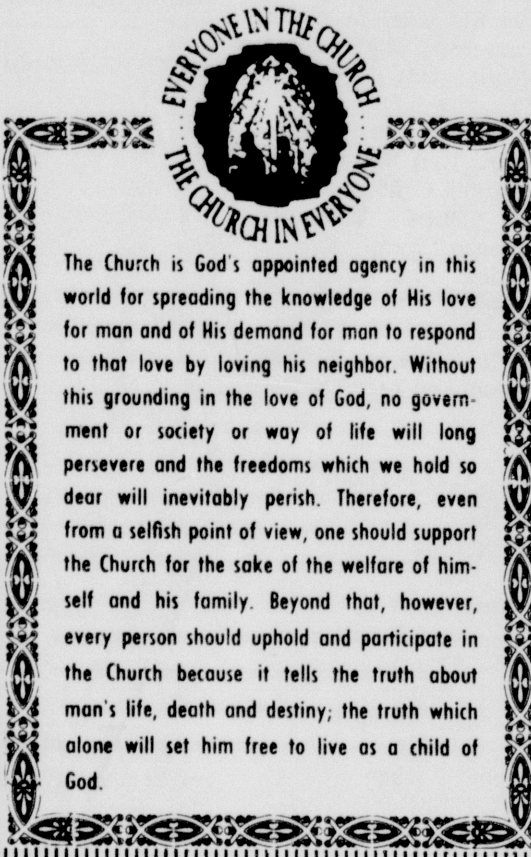

George Washington Jr., weighed in at five and one-half pounds. The Kirklands have three other children, two girls and a boy.

Where have the  
LEAVES Gone?

Trees without their leaves, are like a Church building without the people. The real warmth, friendliness, and welcome atmosphere are created by the people. All of these things are a real aid to worship.

"Give unto the Lord the glory due unto his name; worship the Lord in the beauty of holiness."

Come, be one among many to share in the joy of worshiping in the Lord's house

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## NEWS FROM . . .

## Sylvester

By MRS R M BABE

We have started out with a lovely week, kinda cool but not bad.

Mrs. Roy Kiser and W. O.

Reeves have both spent some time in Hamlin hospital. Mrs. Kiser is home, but at this writing, Mr. Reeves is still

there but some better.

Neda Kiser attended the funeral of his mother-in-law, Mrs. Clara Miller in Knox City last week.

Our sympathy to the family of Mrs. W. L. Terrell who passed away last Friday in Dallas and was brought back with services being held in the Sylvester Baptist Church and buried in Sylvester cemetery.

On Sunday afternoon, Jan. 11, Fred Turner and Homer Pursley were ordained as Deacons in the Sylvester Baptist Church. A number of friends and relatives were present from Abilene, Sweetwater, Roby, Rotan, Sardis, Longworth, Snyder and Dunn. Bro. Virgil Mott of Snyder preached the ordination message.

You know what, I am out of news — see you next week!

## Midwest Electric Hit Hard By Recent Storm

Midwest Electric Cooperative, Inc. suffered severe damage to lines and poles during the recent ice storm. The damage started on Sunday, Dec. 28 at 4 p.m. as ice and snow started sticking to lines and before the damage ended, 100 poles were down in the Roby area and 200 in the Snyder area plus hundreds of breaks in the lines.

Midwest Electric Cooperative crews worked around the clock to restore service and crews were sent from Deaf Smith Electric Cooperative at Hereford and South West Electric Cooperative at Eldorado. The Bill Farley Pole Line Construction Company brought in crews from Abilene, Junction, and Decatur.

Nearly all the outages except a few isolated areas were back on by Sunday, Jan. 4.

A fine spirit of understanding, patience and cooperation was shown by our members and this was appreciated by all of us at Midwest Electric Cooperative.

We are especially appreciative to the members who furnished tractors and trucks

to get our equipment out of the mud, to the members who served hot coffee and gave the employees words of encouragement when they were needed and for all the nice letters of thanks we have received.

Thank you again for your help, understanding and for your patience.

## NEW... biggest feedmaker built!

Gehl leads again. Big, new 120-bu. Mix-All combines "biggest-of-all" capacity plus Gehl's commercial-quality grind and mix ability. One demonstration will prove the 115MX can help you manage more livestock. Here's why:

- Exclusive hay feeder smoothly feeds bale slices to the mill.
- 120-bu. mixing tank, plus new 21-in. mill increase feedmaking capacity 40%.
- 66 thin cutting hammers—more per sq. ft. of screen area than other mills.
- 10-foot, high pivot (46") auger unloads feed where you need it.

These and many other features put the giant 115MX way ahead of competition. More farmers — 35,000 of them — own Mix-Alls than any other make.

## C. R. Steele, 85, Dies In Lubbock, Rites In Coleman

C. R. Steele, 85, a retired educator and father of Mac Steele, Spur, died Sunday at 9:15 a.m. in a Lubbock Hospital. Mac Steele is owner of Mac's Super Market here. Services were held at 2 p.m. Tuesday in the First Baptist Church in Coleman, where he had formerly lived. Rev. Norris Taylor, pastor of First Baptist Church of Spur, officiated, assisted by Rev. Carl Smith of Coleman. Burial was in Coleman City Cemetery directed by Stevens Funeral Home.

Mr. Steele was born in Bell County, and was married to Lillie Forte Sept. 23, 1913, in Cross Plains. She died in 1967.

He was a graduate of Howard Payne College in Brownwood and did graduate work at the University of Texas at Austin. He taught school in Callahan, Ford and Coleman Counties a total of 49 years.

He was a member of the First Baptist Church of Coleman and Woodmen of the World Lodge.

Other survivors include sons W. R. of Lubbock, and B. M. of Dallas; two sisters, Mrs. Dave Ingram of Cross Plains, and Mrs. Edgar Bragg of Stamford; eight grandchildren and one great-grandchild.

Grandsons and nephews were pallbearers.

The store here was closed Tuesday afternoon for the services.

News deadline is noon Tues.

The Piper basketball team suffered two heartbreaking defeats last week. The first defeat was from the Merkel Badgers with a 44-43 tally, scoring in the last seconds of the game to win. Anson added to the hurt of one defeat with a 48-46 score.

Three members of the Hamlin Piper Band attended Region Band in Haskell Saturday, winning seats in the band. Their names are Terri Casey, alto saxophone; C. A. Jenkins, bass; and Gary Carson, trumpet.

Many members of the student body took I. Q. tests last week to check their mental ability. Lots of luck everybody!

## Eighth Grade Boys Capture Anson Tourney Title

The Eighth Grade boys basketball team captured the Anson Junior High Tournament Saturday evening by defeating Anson in the finals, 44-21. The Eighth Grade girls lost to the Anson girls in the consolation finals, 21-18.

David Willis poured in 25 points in games with Anson and Saturday morning was high point against Jim Ned with 14 points. The boys captured this game 31-26 to move into the finals.

Christi Bell was high pointer for the girls against Anson with 6 points and led the local girls with 11 points in the second round game with Merkel. Hamlin won this game 25-21.

Mr. and Mrs. Bobby Caldwell and family and Mrs. Winnie Choate of Graham visited the R. D. Caldwells during the holidays.

## Junior High Boys Win, Girls Lose District Opener

The three junior high teams hosted their first district basketball game here Monday night with Haskell. The two boys teams won and the girls team was defeated.

The eighth grade boys defeated Haskell, 48-34, to remain undefeated for the season with eight victories. This team has a victory string going for them that carries back to last year with them not having lost a game since they started playing basketball in the seventh grade. David Willis was high with 16 points.

The seventh grade boys downed Haskell, 39-29 with Johnny Jones scoring 10 points to lead the way.

The eighth grade girls lost to Haskell, 20-11 with Leigh Ann Vaughan scoring 5 points to lead the Hamlin scoring.

The two eighth grade teams will play in the Aspermont Junior High tournament this weekend in Aspermont with the first round of play tonight (Thursday). The eighth grade girls will play Aspermont at

## Grant Jones Announces For Re-election

### State Representative Grant Jones of Abilene has filed for reelection to the Texas House of Representatives in Place 1, District 62, composed of Jones and Taylor Counties.

### Jones stated "I have been appointed a member of the Interim House Committee on Efficiency and Economy. This committee should have several proposals to submit to the next Legislature and it is my desire to be able to help Texas obtain better government for the tax payer's dollar through the work of this committee."

## Homeowners May Deduct Damage To Trees - Clayton

### Homeowners may deduct the cost on their income tax returns in cases where trees are broken down by ice storms or other natural disasters, if the trees are under 4" in diameter, according to Jones County Agent Kirby Clayton.

### Trees which are over 4" in diameter may be considered a part of the real estate and deductions may be counted, based upon the total decreased value of the entire real estate involved.

### Estimates of damage may be made by a real estate dealer or the home owner. In either case, the home owner is responsible for the return. For further information, contact your income tax consultant. —

# Win me at... Farming Frontiers '70

This brand-new 21-inch electric-start John Deere Power Mower will be given away at our "Farming Frontiers '70" Program. You may be the lucky winner. All you have to do is register for the door prize. If you've got grass to cut you'll like the performance of this mower. Easy to start and push. Gets in those hard-to-cut spots. Starts fast. Easy to maintain. Win it at "Farming Frontiers '70."

Win this and other Door Prizes at our "Farming Frontiers '70" Program. The program includes "Furrow on Film" subjects which show the latest developments and research in farming. Other films include new farm equipment available for 1970 highlighted by the introduction of the New Generation of John Deere Combines. There will be a feature film, "A Way of Life," a movie which investigates rural life in America.

NEWS FROM . . .

# Old Glory

by Bernice White

Dalton Gill, Supt., and four members of the Old Glory School Board attended the annual Administrators' Conference held in Austin last week. School Board members attending the conference were C. T. Pierce, Glen Pierce, Jimmy Cox and Jack Jones. Supt. Gill has announced that he will conduct adult education classes in math, the first class session will be held at the school Jan. 15, at 7 p.m. All who are interested are urged to be present. The class time will be approximately two hours. Mr. Gill also added that visitors will be welcome.

The Old Glory Community Junior 4-H Club met Wednesday, Jan. 7, after school in the study hall. The Pledge, Prayer, and Motto were led by Beverly Neumann.

It was decided that the group will attend a Walt Disney movie soon, since they did not have a Christmas party this year. Discussion was held on the

stock show to be held in February at Aspermont. Local members were asked to furnish sandwiches, cookies, and brownies to be sold at the concession stand. Some members will show animals in the event.

Members also were reminded that work will soon begin on the talent show to be held in March, and that now is the time to start working up demonstrations for district competition. Members spoke about projects they plan to have in 1970.

Refreshments were served by Kathy Wendeborn and Lynette Meir.

Charlie Letz returned home last Sunday from the West Texas Medical Center in Abilene where he spent last week after undergoing eye surgery.

Mr. and Mrs. Martin Letz are both back at home after suffering injuries in an automobile accident between Rule and Haskell last week. Mrs. Letz spent several days in the Haskell Hospital.

Herbert Klump was back in the Haskell Hospital receiving treatment last week.

Denice Pierce is spending this week in the home of her sister's family, Mr. and Mrs. Thomas Letz and Bryan in Graham.
